OUR 4-POINT PLAN, FOR YOUR SUCCESS

At AMS we like to keep things nice and simple, so we have created a 4-point plan to ensure things go well:

1. SALES

Our experienced sales colleagues will help you choose the right products for your venue; discussing their performance on a regular basis to ensure that you enjoy maximum income. We can also advise on official paperwork such as VAT and duties to be paid.

2. INSTALLATION

Our team pride themselves on a smart, professional approach; installing your new equipment without fuss at a time that suits you.

3. SERVICE

Once installed, we offer industry-leading levels of customer service, and our Service Department works tirelessly to ensure your machines have as little downtime as possible.

4. COLLECTIONS

Regular machine cash collections will be provided by a local collector to give you peace of mind. Industry-leading software gives you clear and concise receipts to assist with paperwork.
